

# Light Up The Stage

## Endowment Campaign

To ensure the long-term strength and stability of the Simi Valley Cultural Arts Center, the "Light Up The Stage" campaign is a five-year campaign designed to build a \$1 million endowment fund. The campaign will conclude at the Center's 25th Anniversary in November 2020.

I accept the invitation to join the "Light Up The Stage" campaign by making a supporting gift. By making this tax-deductible contribution, I/we join with others in helping to support the Cultural Arts Center and its mission to keep the alive.
